

CERTIFICATE IN LEADERSHIP For Residents and Fellows

You have the talent, drive, and dedication to achieve your professional aspirations – you've already proven that. Now take the next step to enhance your leadership skills and enrich your training experience.

Why EVOLVE?

AMWA EVOLVE is an innovative, experiential leadership program designed to connect to your values, strengthen your voice, and broaden your vision. Core competencies are explored in monthly virtual group coaching sessions.

AMWA EVOLVE is an 8-month innovative Certificate in Leadership Program:

- Created by women physicians for residents and fellows
- Designed to fit into the demanding schedule of medical training
- Empowers you to lead from your unique strengths and voice
- Broadens self-awareness, perspective, and professional assurance
- Connects you with a growing alumni network of peers and mentors

What Past Participants Say

"EVOLVE reminded me that I belong in leadership spaces."

"This wasn't just a course — it changed how I see myself as a physician."

"For the first time, I felt intentional about my leadership path."

"EVOLVE helped me move from surviving residency to shaping my future."

"I learned from inspiring women and gained practical leadership skills...I only wish I had done it earlier in my residency."
