

Faculty Leadership Accelerator

Champion Growth. Lead with Impact.

Gain valuable insights and effective strategies to support trainees, while refining your skills as an intentional and impactful leader.

Why Participate

AMWA EVOLVE is designed to empower the next generation of women leaders in medicine — and faculty are a vital part of that journey.

EVOLVE for Faculty offers practical coaching strategies to reinforce your trainees' leadership development while deepening your own professional growth.

What You'll Gain

- Practical communication techniques and coaching strategies
- Insights to support equity and inclusion in leadership development
- A peer network of faculty engaged in mentorship and growth
- Dedicated space to reflect, share, and lead with intention

Program Overview

- 100% Virtual
- Three 75-minute sessions
- Topics include: authentic leadership, microaggressions & bias, navigating difficult conversations, giving and receiving feedback, the art of negotiation, and more!

Who It's For

- Program faculty, institutional mentors, chief residents, and program administrators
- Allies who want to strengthen how they support trainees
- Faculty and staff who want to enhance the experience of trainees in AMWA EVOLVE
