

MWIA

Medical Women's International Association

Regional Conference for Near East and Africa

Accelerating Women's Health Agenda: Priorities and Opportunities Through UN SDGs and AU Agenda 2063

11 - 15 Nov 2018

Mövenpick Hotel & Residences
Nairobi, Kenya

Dear Participant,

The Kenya Medical Women's Association is proud to host the **Medical Women's International Association (MWIA) Regional Conference for Near East and Africa**. This event is expected to attract high quality research papers, oral presentations and workshops from across the African Continent and Near East as well as other MWIA Regions. It provides a great platform for the women in medicine, science and global health actors to interact and exchange ideas professionally. Additionally, it will be useful for personal engagements and will facilitate networking between individual members and various MWIA member associations especially for young MWIA members.

This conference will provide a forum for academicians, industry experts and policy makers to discuss and share knowledge about the Sustainable Development Goals (SDGs) and advancements in health for women, children and adolescents. Researches from all sectors especially social and economic development sectors are encouraged to participate and present papers. Sectors are invited to send the latest researches, innovations and best practices for the conference.

The **Conference Theme** is:

"Accelerating Women's Health Agenda: Priorities and Opportunities Through UN SDGs and AU Agenda 2063."

The **Sub Themes** will be;

Track 1: Overview of Women's Health and SDGs in The Region: Challenges, Opportunities and Priorities.

Track 2: Women and Health.

Track 3: Promotion and Protection of Health Rights in the Context of SDGs.

Track 4: Universal health Coverage and Financing: Committing to Sustainable Investment in Health.

Track 5: Women in Medicine and Appropriate Human Resource for Health.

Track 6: Accountability Framework and Mechanisms for Women's Health.

Track 7: Children, Youth and Sustainable Development.

Track 8: Research, ICT and Innovation.

Track 9: Regional Coordination and Partnerships.

Track 10: Medico-legal Issues in Women's Health.

Special Track: African Union Agenda 2063.
