

June 4, 2025

Pride Month

We uplift and celebrate LGBTQ+ healthcare professionals and patients. Visibility saves lives. Inclusion shapes the future of medicine.

June

Gun Violence Awareness

We honor the lives lost and stand united to advocate for safer communities. Physician voices matter. Action saves lives.

**Alzheimer's & Brain Health Awareness**

We raise awareness and support brain health across all ages. Early detection, equitable care, and groundbreaking research begin with informed providers.
