

The Value of AMWA MEMBERSHIP

Conferences & Events

AMWA Annual Meeting

AMWA's National Conference: Leading, Thriving, Transforming. Resident members receive discounted registration and access to leadership and career development programming.

Resident Division Events

Network with peers across the country through leadership forums, clinical panels, and career development workshops held throughout the year.

Recognition & Professional Discounts

Resident members are eligible for national awards, travel grants, and recognition programs that celebrate leadership, research, and advocacy. Members also receive exclusive discounts on leadership training, insurance products, and financial services.

Mentorship

AMWA offers residents direct access to mentors across specialties and stages of practice. From career planning to contract negotiation, members receive personalized guidance to navigate critical career transitions with confidence.

Career Development

Contract and Career Tools

Access webinars and expert-led resources on job search strategy, negotiation, and navigating early-career decisions.

Leadership Opportunities

Serve on AMWA national committees, lead initiatives, and contribute to the advancement of women in medicine.

Career Center and Member Directory

Search exclusive job postings and connect with AMWA's national network of women physicians.

Resident Support

Burnout & Wellness Resources

Tools and programming focused on physician wellbeing, gender bias, and navigating challenges unique to women residents.

Financial Wellness

Access financial planning tools, expert guidance, and partner discounts to support long-term stability and success.
